

Mixed Methods Research in Palliative care

Workshop date: 22/02/2018 Time: 9:00AM-5:00PM

Workshop venue: Board Room, 2nd Floor, AIIMS, New Delhi

Coming up with ideas for research and turning those into successful studies can seem a daunting challenge.

The aim of this 1day workshop is to help early career researchers turn their research ideas into studies through a persuasive and exhaustive session.

The theme for the 2018 research workshop has been decided as, "Mixed Method research in palliative care." The eminent faculties through their expertise will enlighten you with mixed methods research and help you understand how quantitative and qualitative research could be used in palliative care research.

Registration will begin at 09:00AM

Program Details

Content	Time	Faculty
Introduction to Mixed Methods Research in Palliative Care	10:00AM-10:15AM	Dr. Shrikant Atreya
Philosophical framework for conducting Mixed Methods research	10:15AM-10:45AM	Professor (Dr.) Daniel Munday
Tea Break		
When to conduct mixed methods research? Formulating research questions in mixed methods research	11:00AM-11:45Noon	Professor (Dr.) Daniel Munday
Basics of Research: PICOT, Hypothesis, ROL, study designs, Study Planning including basics of sample size and statistical aspects	11:45AM-12:45PM	Dr. Rakesh Garg
Lunch Break		
Quantitative aspect of Mixed Method Research 1 (RCTs in Mixed Method Research)	01.15PM – 02:00PM	Dr. Rakesh Garg
Qualitative aspect of Mixed Method Research	02:00PM – 02:45PM	Dr. Naveen Salins
How to conduct a literature review prior to a mixed method research	02:45PM-03:30PM	Professor (Dr.) Daniel Munday

Tea Break		
Role of qualitative studies versus surveys for unexplored research topics	03:45PM-04:30PM	Prof. Ganpathy K V
How to synthesis Quantitative & Qualitative findings together in mixed methods research	04:30PM -04:50PM	Professor (Dr.) Daniel Munday
Feedback forms		
Valedictory speech		

Faculty bio-data:

- Professor (Dr.) Daniel Munday, Consultant in Palliative Medicine and Health Services Research
Visiting Professor National Academy of Medical Sciences, Kathmandu, Nepal
Senior Advisor Global Health Academy, University of Edinburgh
- Dr. Naveen Sallins, Associate Professor, Department of Palliative Medicine, Tata Memorial Centre, Mumbai
- Professor KV Ganapathy, Clinical Psychologist, CEO, JASCAP, Mumbai and Volunteer with the Department of Palliative Medicine, Tata Memorial Centre, Mumbai
- Dr. Rakesh Garg, Associate Professor, Department of Onco-Anesthesia and Palliative Medicine, AIIMS, Delhi
- Dr. Shrikant Atreya, Consultant in Palliative Medicine, Department of Palliative Care and Psychooncology, Tata Medical Center, Kolkata(Convener of the program)

For any queries please contact:

Dr. Shrikant Atreya

Convener of the Research Workshop, IAPCON conference committee
